### - **Member led trips**

- Stairs: matt blanco goes up and down stairs in mission hill

## What is the Loj?

### - **Literally**

- The loj is our property in New Hampshire where we go to enjoy the outdoors
- It is about 3:30 minutes away by car
- We are on the border with Maine and near the town of Shelburne
- Currently, two enclosed structures are on property, the war barn and the funhouse which combined sleep about 30 people
- From the loj, you can do any number of outdoors activity in the white mountains such as ski, hike, climb, swim, and more

### - **Emotionally**

- It's the loj :)

## LCT Process

- If you come up to the loj three times, you can give a speech at a meeting to become a loj committee trainee
- Once you finish a 26 item list you become a Loj committee member!!!
- You get keys for life!!!
